The December 17, 2020 Emeriti Association meeting was held by Zoom and hosted by Emeriti President Rosemary Rossiter. Below are several screen shots from the Zoom meeting.

At that meeting, Emeriti Association Treasurer Leslie Flemming expressed gratitude to all on behalf of the Association for the significant donations given this year both directly and to the Association's Foundation Account at the University. She noted that the Association is considering increases to its pledge to support the University's fund for Undergraduate Travel for Research Presentations and Creative Activities and/or perhaps supporting a scholarship opportunity.

President Rossiter then introduced Christie Truly, the Volunteer Coordinator for Ohio Health Hospice who is expecting that as of June 1st, the program for volunteer visits to Hospice patients will again be needing volunteers for friendly visits to homes and assisted living facilities and other neighbor-helping-neighbor opportunities. She will be starting self-paced virtual training sessions via Zoom in the Spring. More information and descriptions of the various volunteer activities and positions are available from President Rossiter or Emeriti Volunteer Services Chair Jared Butcher.

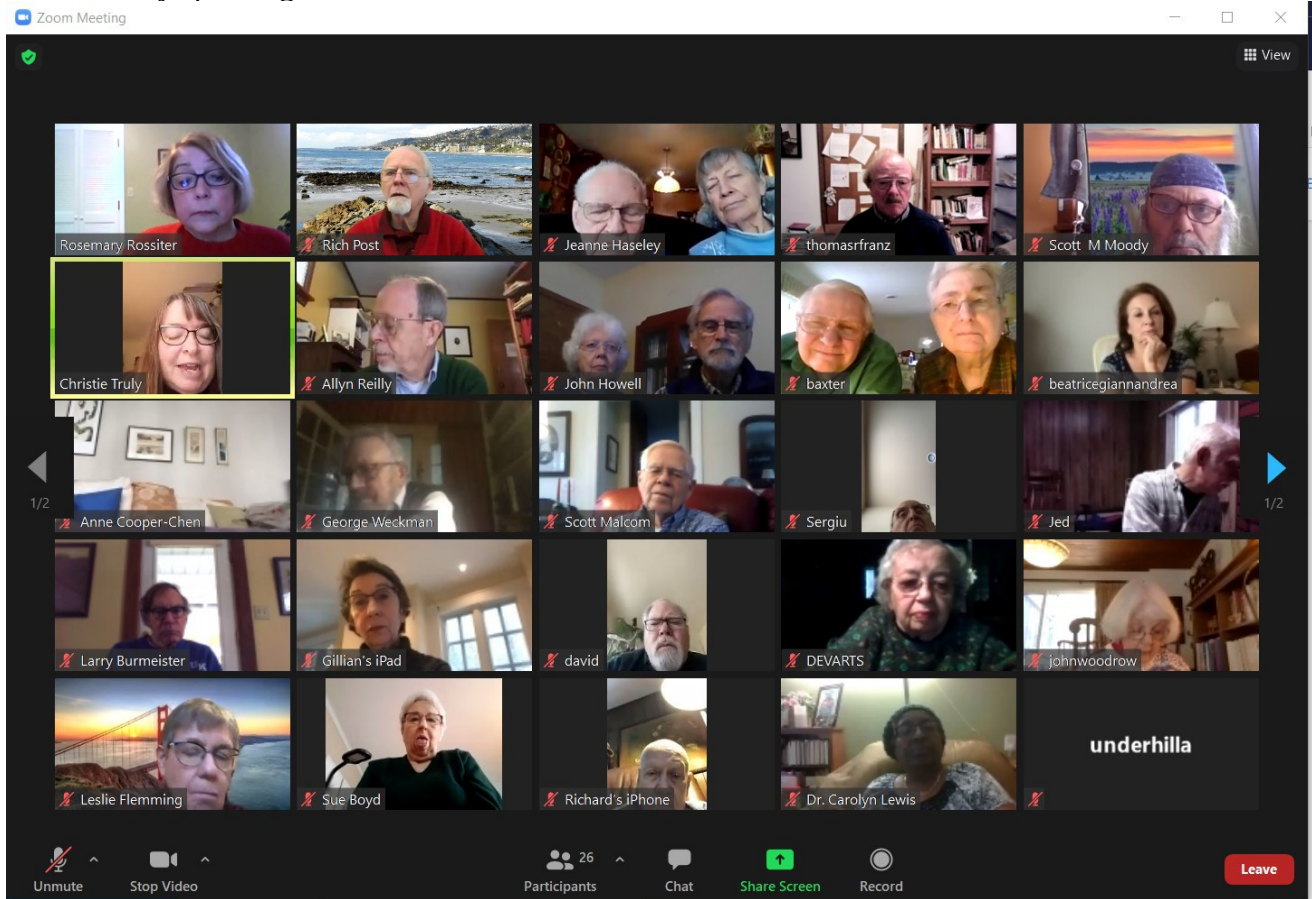

Emeriti Association Secretary Allyn Reilly then introduced the members of OhioBrass, Ohio University's faculty-artist brass quintet in residence who had prepared a holiday music concert for the Emeriti Association. Given the shortcomings of audio over Zoom, [the music concert was made available on Youtube at this link.](#)

As noted in the November Notes, the [School of Music has its own Youtube channel](#) and the concert will be linked on that channel as well.
