Emeriti Association Vice President **Marty Tuck** announced that the speaker will be **Dr. Lori Stewart Gonzalez** who began her service as Ohio University's 23rd President on July 1, 2023. In her special message to the University community on that date, President Gonzalez remarked:

"I have dedicated my career to public higher education, serving at institutions in Illinois, Kentucky, Tennessee and North Carolina and growing in my career from faculty member to Associate Dean to Dean to Provost. While that trajectory has helped me prepare for this role, I want you to know that this opportunity represents far more to me than a culminating professional position. I am a second-generation college student, raised in a small Appalachian town by parents who believed deeply in the power of education to shape our lives and in the responsibility we had to give back to our neighbors and to society as a whole. My whole life I have understood my personal mission and purpose to be service in and through education, and I consider it an incredible gift to have the opportunity to live that purpose as President of Ohio University."

At the meeting, we will be recognizing the 28 newest Ohio University Emeriti who were awarded that status by the Ohio University Board of Trustees during the 2022-23 academic year.
