## Alma Mater, Ohio

When e'er we take our book of mem'ries  
And scan its pages through and through  
We'll find no days that glow so brightly  
As those we spent at old O.U.  
Within our Alma Mater's portals  
We meet her children hand to hand  
And when there comes the day of parting,  
Still firm and loyal we will stand

Alma Mater, Ohio,  
Alma Mater, brave and fair!  
Alma Mater, we hail thee,  
For we own thy kindly care.

Alma Mater, Ohio,  
When we read thy story o'er,  
We revere thee and cheer thee  
As we sing thy praise once more.

Our Alma Mater calls us ever,  
And love of country has its claim,  
The one but makes us prize the other,  
And thus we cherish both the same.  
When Alma Mater sends us forward,  
And in her name we stand in line,  
Then we will serve the nation better,  
For having gathered at her shrine.

Song Contest conducted by Edwin W. Chubb, Dean,

## COMMENCEMENT Speaker

### **JOSH ANTONUCCIO, M.ED.**

*Associate Professor,  
School of Media Arts & Sciences*

Josh Antonuccio is the director of OHIO's School of Media Arts and Studies offering expertise in music business, technology, music production, entrepreneurship, and experiential learning.

He is the director of the Music Industry Summit, a two-day conference which welcomes a range of acclaimed artists and music industry leaders to Ohio University each spring. The Music Industry Summit was named one of the Top 7 U.S. Music Conferences in 2022. Past keynotes have included Phoebe Bridgers, Chuck D, Michelle Zauner, Caamp, Talib Kweli, Killer Mike, St. Vincent, Saba, and FINNEAS. This year's featured artist keynote is Jason Isbell.

Antonuccio is a Grammy-voting member of The Recording Academy with more than two decades in multiple industry roles as a producer, musician, audio specialist, technology adventurer, studio owner and media journalist.

He is the creator and director of numerous industry immersion courses, including the OHIO South by Southwest trip and the MDIA Music Production Masterclass Series, letting students work with notable producers at major studios in New York City, Chicago and Austin.

In addition, Antonuccio produces and hosts the Emmy-nominated performance series "The Sycamore Sessions," a partnership with the Nelsonville Music Festival and WOUB Public Media, allowing OHIO students to produce live concerts with national and regional artists. The series has welcomed over 120 artists including Tyler Childers, Sierra Farrell, and Adrienne Lenker of Big Thief. He is the faculty advisor of the student-run record label Brick City Records, as well as WIMI (Women in Music Industry).

Antonuccio developed the music industry major at Ohio University and in 2016 helped establish virtual reality education and production capacities in the Scripps College of Communication through a nearly \$1 million innovation grant.

He is a two-time OHIO graduate, earning a B.S. in Telecommunications and an M.Ed. Instruction in Technology and Computer Education.

## ACADEMIC Heraldry

The caps, gowns and hoods worn today in these Commencement Exercises are patterned after the attire of monks and students in the Middle Ages. Those who have earned bachelor's degrees wear gowns with a semi-stiff yoke, long pleated front, intricate shirring across the shoulders and back, and long pointed sleeves. The holder of a master's degree wears a similar gown, with long or short oblong sleeves that hang down in the traditional manner and open at the wrist.

Those possessing the doctoral degree wear gowns with broad velvet panels down the front and three velvet bars on the full, round, open sleeves. This velvet trimming may be either black or the color of the distinctive field of learning represented by the degree. Most of the color and meaning of the costume is found in the hoods. These are silk-lined with the color or colors of the institution conferring the degree. As can readily be observed, the official colors of Ohio University are green and white. The border of the hood is velvet and its color signifies the field of learning to which the degree pertains:

Accountancy . . . . .	Drab	Humanities . . . . .	White
Anthropology . . . . .	Gold	Journalism . . . . .	Crimson
Arts . . . . .	White	Literature . . . . .	White

## CEREMONIAL MACE

For centuries, the mace has been used as a symbol of authority. Today, it represents the authority of monarchs, legislatures and universities around the world. Designed by the late Professor of Art David R. Klahn, the Ohio University Ceremonial Mace is modeled after the balustrades of an original stairway of Cutler Hall, the oldest building on the Athens campus. It features the University seal and a stylized representation of the Cutler Hall cupola. The mace is carried and displayed during official ceremonies at Ohio University, including Commencement.

## THE SEAL of Office

Worn by the president at official Ohio University functions, the Seal of Office also was designed by the late Professor Klahn. Fabricated of silver and bronze, the primary medallion features a silhouette of Cutler Hall, the date of Ohio University's founding (1804), and the words "Ohio's First University." The secondary medallion, at the back of the chain, is the University seal. Smaller medallions, replicas of the two center portions of the University seal, are alternately interspersed with the chain's links. The Seal of Office was created for the inauguration of President Emeritus Robert Glidden in 1994 and will be passed on to future presidents of Ohio University.

# HONORS Information

## HONOR CORDS

Undergraduates graduating with honors are wearing honor cords. Those graduating with honor, or cum laude (accumulative grade point average of 3.5 to 3.749), are wearing bronze cords; those graduating with high honor, or magna cum laude (3.75 to 3.899), are wearing silver cords; and those graduating with highest honors, or summa cum laude (3.9 to 4.0), are wearing gold cords.

Students who graduate with honor must complete 30 semester hours of coursework with letter grades in residence at Ohio University and must complete a bachelor's degree. Graduation with honors does not apply to recipients of associate or graduate degrees.

---

*A special notation appears on the diploma and in the Commencement program for students who graduated with honors.*

## OHIO HONORS

The OHIO Honors Program expands on traditional honors education by adding a focus on experiential learning. OHIO Honors students take on challenging coursework throughout their undergraduate experience, but also apply their learning in the real world through internships, partnerships with community organizations, hands-on research and other co-curricular activities. Students complete an average of two honors experiences per semester, about half in the classroom and half in other settings where they can apply their learning to different contexts. Designed to complement any major, the program connects students with fellow scholars across the university to explore ideas and issues from a wide range of perspectives.

Undergraduates who are graduating with OHIO Honors appear with a special notation on their diploma and in the Commencement program.
